NEWSLETTER - 28.11.06

- Unfortunately we are unable to take part in the 'Light up a life' service on Friday December 1st as Farleigh did not have enough time to sort out a suitable size stage, electrics for keyboard, etc, for us. However, it is hoped that we will be able to sing at next year's service with more time to plan our requirements.
- Please remember that there will be no rehearsal on Tuesday 12th December as some of us are singing at the Covent Garden event. Those going to Covent Garden will have been given a separate letter with full details of the arrangements.
- Tickets for our UNICEF concert on Saturday December 9th went on sale at rehearsals tonight. These are the few tickets we have at a preferential price of £4.00 per adult with choir siblings free, mentioned in last week's newsletter. Once our supply is gone tickets are available from James Dace & Son in Moulsham Street and will also be available on the door.
